

General Information

Welcome to the Maryborough District Health Service Avoca campus. Please read below information for your convenience.

Parking

For clients accessing Primary Care Services, a car parking area is located off Templeton Street. For all other services, public parking is available outside the campus in Templeton Street.

Visiting Hours

There are no set visiting hours for the Nursing Home and Hostel. Suitable times are to be arranged with the staff and resident.

Services

Services provided include district nursing, hostel and nursing home, respite care, podiatry, physiotherapy, maternal and child health care, dental, access to psychiatric services, women's health, welfare, counselling, diabetes education and dietetics.

The Nursing Home, built in 2003 consists of 20 high care beds which includes 1 respite bed. The Hostel or low care facility has 10 beds.

The Avoca district nursing service travels approximately 46,000 kms annually and provides community nursing, post acute care, hospital in the home, hospital to home care, palliative care and care to Veteran Affairs clients.

The Primary Care area allows patients to visit for pathology, dressings, injections, blood pressure checks, telemed monitoring etc. Doctors from the Nightingale clinic in Maryborough provide 5 medical sessions per week with access to the outpatient's area for minor procedures as required.

Outpatient hours: 8.30am to 5.30pm
by appointment only
